

Weathering Through COVID-19

As the COVID-19 pandemic creates a new normal for many Iowans, my staff and I are working diligently to maintain your trust and operate with the same intensity you have come to expect from the Treasurer's office. In response to the pandemic, the lobby is closed to the public until further notice. However, College Savings Iowa 529 plans, IAble and the Great Iowa Treasure Hunt remain staffed and open to serve you.
