

## Back to School: Unclaimed Property Edition

If there's one thing schools need right now, it's support. For a handful of school districts in the state of Iowa, that support could come in the form of unclaimed funds. There are hundreds of schools and related businesses with money waiting in the Great Iowa Treasure Hunt database. Below you can find a snapshot of some on the list. If you recognize any names, contact the Business Manager or someone in a similar role and tell them how easy it is to claim the funds!

Don't see your school? There's more where these came from! All you have to do is search by name at [GreatIowaTreasureHunt.gov](http://GreatIowaTreasureHunt.gov) – it's easy, free, secure and open 24/7.
