

Check Presentations Go Virtual

Returning unclaimed property is very rewarding because I get to witness first-hand the benefits of the Great Iowa Treasure Hunt program. During this pandemic, many Iowans are in need of some good news. Using Zoom as a platform, I was able to host several virtual Great Iowa Treasure Hunt events, and I had the privilege of returning \$619.68 to the Spencer Community School District and \$9,680.24 to Mission of Hope in Cedar Rapids. Like many businesses and organizations, both have had to pivot during the pandemic, which makes returning the money from the Great Iowa Treasure Hunt even more gratifying.

Be sure to check for your name or the names of organizations and businesses in your community at [GreatIowaTreasureHunt.gov](https://www.greatlowatreasurehunt.gov). You never know what you will find.
