

College Savings Iowa Hosts a Giveaway

September is College Savings Month, and to celebrate, College Savings Iowa is hosting a giveaway! If you want a boost to your College Savings Iowa account, or an incentive to open one, enter our [College Savings Month giveaway](#) for a chance to win a \$1,000 College Savings Iowa contribution and an Apple iPad before it closes on Thursday, September 30.

As a new school year begins, I want to remind family and friends about the importance of saving for their children's education. I encourage loved ones to sit down and discuss the future dreams of their student. Having a plan to help your child achieve these dreams will make the process much smoother. If your child envisions a future that could benefit from a four-year university, two-year school, trade and vocational program or apprenticeship, think about how a College Savings Iowa account could assist them.

[College Savings Iowa](#) offers family and friends a tax-advantaged way to save for the costs of education. When used for education-related expenses like tuition, room and board, textbooks, computers, supplies are more, withdrawals are tax-free.* Participants also have the opportunity to deduct up to \$3,474 per beneficiary account from their state income taxes in 2021 if they are Iowa taxpayers.** Join us in celebrating College Savings Month by opening an account, making a contribution to an existing one and entering the giveaway!
