

It's always a great time to start saving for higher education, but College Savings Month, celebrated nationally in September, is the perfect motivator to finally open a dedicated savings account for the special children in your life. And the [College Savings Iowa 529 plan](#) is the perfect tool to do so! In fact, families love this 529 plan so much, they've withdrawn over \$4.5 billion for qualified expenses such as tuition, room & board, textbooks and supplies. In the last 10 years, \$1.36 billion of that was used at Iowa higher education institutions.

As administrator of the Plan, I want to give Iowa families an extra motivator this month to finally kickstart their savings. I am excited to share that College Savings Iowa is hosting a giveaway! One Iowa family will win a \$10,000 College Savings Iowa contribution – that's about enough to cover one semester of tuition at my alma mater, the University of Iowa. You have until September 30 to register at [Iowa529Contest.com](#). See [official rules](#) for details.
