

Five Stars for the Great Iowa Treasure Hunt

Five Stars for the Great Iowa Treasure Hunt

Ninety-five percent of consumers read reviews before buying a product or using a service. Reviews are a great way to learn others' opinions and decide for yourself if a product or service is worth it. So, if you're looking for a review of the Great Iowa Treasure Hunt before starting your search, look no further! Our past claimant, Area Ambulance Authority, was recently reunited with over \$16,000 from an insurance claim payout. The organization sustained damage to their building during the 2020 derecho and was thrilled to receive their missing funds. Keith, the CEO for Area Ambulance Authority, had a five-star review for the program:

"I searched for myself and of course I had no money. But then I saw they had funds for nonprofits, and sure enough, Area Ambulance Authority was number one on the list," said Keith. "The staff were so helpful. They made it very easy to guide us through."
