

**REQUEST FOR PROPOSALS FOR  
BOND COUNSEL  
FOR THE  
IOWA FINANCE AUTHORITY  
SINGLE FAMILY AND MULTIFAMILY BOND PROGRAMS**

**IOWA FINANCE  
AUTHORITY**

## ARTICLE 1 -- INTRODUCTION

### 1.1 Purpose

The purpose of this Request for Proposals (“RFP”) is to solicit proposals from law firms to serve as bond counsel for the Iowa Finance Authority’s (“Authority”) Single Family and Multifamily Bond programs (“the Programs”). The Treasurer of the State of Iowa (“Treasurer”) and the Authority intend to award a four year contract beginning on or around October 16, 2020, and ending on September 30, 2024, with up to two additional one (1) year extensions at the sole discretion of the Treasurer and the Authority.

### 1.2 Background Information

The Iowa Finance Authority was established in 1975 pursuant to what is now Chapter 16 of the Code of Iowa, 2020 (the “Act”), to undertake programs which assist in the attainment of qualified housing, by encouraging the investment of private capital and stimulating the construction and rehabilitation of adequate housing through the use of public financing.

The FirstHome Program is the Authority’s single family program that is eligible to be funded with proceeds from tax-exempt bonds. Under the FirstHome Program, the Authority issues bonds (the “Bonds”) from time to time to provide funds to the trustee who, on behalf of the Authority, purchases mortgage-backed GNMA, FNMA and FHLMC securities, each of which is backed by pools of Mortgage Loans. The Mortgage Loans are made by participating financial institutions to qualified persons to finance the purchase of single family residential housing located within the State of Iowa (the “State”), all in accordance with agreements executed by the Authority, the trustee, the servicer and certain lenders. The Bonds are issued pursuant to the Act, the Single Family Mortgage Bond Resolution adopted by the Authority on July 10, 1991 or the Single Family Mortgage Revenue Bond Resolution adopted by the board on November 29, 2009, as amended and supplemented, and a series resolution adopted by the Authority in connection with each series of Bonds (collectively, the “Resolutions”). The Authority expects to issue two to three series of Bonds each calendar year to fund the FirstHome Program. Depending on program growth, it is likely that each issue will be in the range of \$60-\$100 million, and may include tax-exempt and taxable new money bonds, refunding bonds, fixed and variable rate bonds, interest rate caps and interest rate swap agreements, and other financing structures deemed necessary by the Authority.

In addition, the Authority may issue multifamily bonds from time to time under its multifamily program. Multifamily bonds may be issued under the Multifamily Housing Bonds Master Indenture of Trust adopted by the Board on June 15, 2005 as amended and supplemented.

This RFP is designed to provide firms with the information necessary for the preparation of competitive bid proposals. The RFP process is for the Authority’s benefit and is intended to provide the Authority and the Treasurer with competitive information to assist in the selection process. This RFP is not intended to be comprehensive. Each firm is responsible for determining all factors necessary for submission of a comprehensive bid proposal.

## **2.9 Nonmaterial and Material Variances**

The Treasurer and the Authority reserve the right to waive or permit cure of nonmaterial variances in the bid proposal if, in the judgment of the Treasurer and the Authority, it is in the Authority's best interest to do so. Nonmaterial variances include minor informalities that do not affect responsiveness; that are merely a matter of form or format; that do not change the relative standing or otherwise prejudice other firms; that do not change the meaning or scope of the RFP; or that do not reflect a material change in the services. In the event the Treasurer and the Authority waive or permit cure of nonmaterial variances, such waiver or cure will not modify the RFP requirements or excuse the firm from full compliance with RFP specifications or other contract requirements if the firm is awarded the contract. The determination of materiality is in the sole discretion of the Authority.

## **2.10 Reference Checks**

The Treasurer and the Authority reserve the right to contact any reference to assist in the evaluation of the bid proposal, to verify information contained in the bid proposal and to discuss the firm's qualifications.

## **2.11 Information From Other Sources**

## **2.12 Bid Proposal Clarification Process**

The Treasurer and the Authority reserve the right to contact a firm after the submission of bid proposals for the purpose of clarifying a bid proposal to ensure mutual understanding. The Treasurer and the Authority will not consider information received if the information materially alters the content of the bid proposal. An individual authorized to legally bind the firm shall sign responses to any request for clarification. Responses shall be submitted to the Authority within the time specified in the request. Failure to comply with requests for additional information may result in rejection of the bid proposal as noncompliant.

## **2.13 Disposition of Bid Proposals**

All proposals become the property of the Treasurer and the Authority. ## **2.14 Public Records and Requests for Confidential Treatment**

The Treasurer and the Authority may treat all information submitted by a firm as public information following the conclusion of the selection process unless the firm properly requests that information be treated as confidential at the time of submitting the bid proposal. The release of information is governed by Iowa Code chapter 22. Firms are encouraged to familiarize themselves with chapter 22 before submitting a proposal. The Treasurer and the Authority will copy public records as required to comply with the public records laws. Any request for confidential treatment of information must be included in the transmittal letter with the firm's bid proposal. In addition, the firm must enumerate the specific grounds in Iowa Code Chapter 22 or other applicable law which support treatment of the material as confidential, provide facts in support of the stated grounds and explain why disclosure is not in the best interest of the public. The request for confidential treatment of information must also include the name, address, and telephone number of the person authorized by the firm to respond to any inquiries by the Treasurer and the Authority concerning the confidential status of the materials.

Any bid proposal submitted which contains confidential information must be conspicuously marked on the outside as containing confidential information, and each page upon which confidential information appears must be conspicuously marked as containing confidential information. Identification of the entire bid proposal as confidential may be deemed non-responsive and disqualify the firm. If the firm designates any portion of the RFP as confidential, the firm must submit one copy of the bid proposal from which the confidential information has been excised. This excised copy is in addition to the copy requested in section 4 of this RFP. The

confidential material must be excised in such a way as to allow the public to determine the general nature of the material removed and to retain as much of the bid proposal as possible. The Treasurer and the Authority will treat the information marked confidential as confidential information to the extent such information is determined confidential under Iowa Code Chapter 22 or other applicable law by a court of competent jurisdiction. The firm's failure to request confidential treatment of material will be deemed by the Treasurer and the Authority as a waiver of any right to confidentiality, which the firm may have had.

### **2.15 Copyrights**

By submitting a bid proposal, the firm agrees that the Treasurer and the Authority may copy the bid proposal for purposes of facilitating the evaluation of the bid proposal or to respond to requests for public records. The firm consents to such copying by submitting a bid proposal and warrants that such copying will not violate the rights of any third party. The Treasurer and the Authority shall have the right to use ideas or adaptations of ideas that are presented in the bid proposals.

### **2.16 Release of Claims**

By submitting a bid proposal, the firm agrees that it will not bring any claim or cause of action against the Treasurer and the Authority based on any misunderstanding concerning the information provided herein or concerning the Treasurer's or the Authority's failure, negligent or otherwise, to provide the firm with pertinent information as intended by this RFP.

### **2.17 Presentations**

Firms may be required to make a presentation of the bid proposal. The presentation, if necessary, will occur at the Authority's offices. The determination as to the need for presentations, the location, order, and schedule of the presentations is at the sole discretion of the Authority and the Treasurer.

### **2.18 Evaluation of Bid Proposals Submitted**

Bid proposals that are timely submitted and are not subject to disqualification will be reviewed in accordance with Section 5 of the RFP.

### **2.19 Choice of Law and Forum**

This RFP and the resulting contract are to be governed by the laws of the state of Iowa. Changes in applicable laws and rules may affect the award process or the resulting contract. Firms are responsible for ascertaining pertinent legal requirements and restrictions. Any and all litigation or actions commenced in connection with this RFP shall be brought in the appropriate Iowa forum.

### **2.20 Restrictions on Gifts and Activities**

Iowa Code Chapter 68B restricts gifts which may be given or received by state employees and requires certain individuals to disclose information concerning their activities with state government. Firms are responsible to determine the applicability of this Chapter to their activities and to comply with the requirements. In addition, pursuant to Iowa Code section 722.1, it is a felony offense to bribe or attempt to bribe a public official.
