

Message from Treasurer Smith

Welcome Spring! Embarking on this new journey as Iowa's 26th State Treasurer has been a busy and thrilling time! Learning is a lifelong pursuit. Whether someone is 4 or 104, there is always more to discover about financial well-being. In this month's newsletter, we kick off Financial Literacy Month with resources for adults to help engage youth in exploring financial literacy topics, remind Iowa taxpayers of College Savings Iowa's tax benefits, bring you some exciting news regarding the Age Adjustment Act for ABLE plans and share the success of Unclaimed Property Day with the Great Iowa Treasure Hunt.

Thanks for following along!
