

Most Wanted

It has always been my mission to return unclaimed funds to Iowans and I enjoy reuniting owners with their rightful money. The work is made even more rewarding when the funds are given back to small businesses and nonprofits who use it to improve our communities. I have highlighted some of the most wanted businesses and organizations who have treasure to claim. Recognize a name on the list? Let them know they have cash to claim at GreatIowaTreasureHunt.gov!
