

Over 555,000 Returned to Owners

The [Great Iowa Treasure Hunt](#) recently shattered a record of 555,000 claims paid to past and present Iowans. This is another major milestone that I'm excited to share. Since the program's inception, I've been dedicated to reuniting unclaimed property to its rightful owner.

To keep the momentum going, I'm encouraging individuals, non-profits and businesses to search our records at [GreatIowaTreasureHunt.gov](#) for unclaimed property that belongs to them or someone they might know. Searching only takes a couple of minutes, and you never know what you are going to find, even if you have claimed in the past.

Since 1983, the Great Iowa Treasure Hunt has returned over \$295 million in unclaimed property. Common forms of unclaimed property include forgotten savings or checking accounts, lost stocks, uncashed checks, life insurance policies, utility security deposits and abandoned safe deposit box contents.
