

Virtual Chat With the Treasurer
Great Iowa Treasure Hunt
VIRTUAL CHAT

It's not uncommon for my office to receive words of appreciation from Great Iowa Treasure Hunt claimants. Returning unclaimed property is one of the most rewarding aspects of my job, and receiving this feedback is music to my ears. Recently, I had the pleasure of talking with Kate and Steve, two claimants with different, but positive stories to share. Learn about their experience with the program during my chat with them on my YouTube channel.
